

The 4th Conference on Physics under Synergetic Extreme Conditions held jointly with the Summer School of SECUF (SECUF-2025)

Friday 18 July 2025

Session 1: Emergent Quantum Materials and Phenomena under High Pressure Extreme Conditions (14:00 - 18:00)

Saturday 19 July 2025

Session 1: Emergent Quantum Materials and Phenomena under High Pressure Extreme Conditions (09:00 - 12:00)

Session 1: Emergent Quantum Materials and Phenomena under High Pressure Extreme Conditions (14:00 - 18:00)

Sunday 20 July 2025

Session 1: Emergent Quantum Materials and Phenomena under High Pressure Extreme Conditions (09:00 - 12:00)
